

## Membership Application Form – 2024

### Under 18 Years

This form needs to be completed at **every membership application, or renewal**, to ensure that the club has current contact information for each member. If this is an application for new membership, or is used after the official membership renewal period (January 1<sup>st</sup> to January 31<sup>st</sup>), this membership form will be displayed on the members notice board for a period of three weeks during which time any objections may be raised in confidence to the committee.

Membership of HADARS runs annually from January 1<sup>st</sup> to December 31<sup>st</sup> of each year. If an existing membership has not been renewed by the end of January (as defined by the Club Constitution), then membership will have deemed to have been ceased, and the re-application will need to be sent to club members in line with the new membership approval procedures.
